Signature: _____

Date: _____

The Institute for Creation Research Graduate School admits qualified students of any race, color, sex, national and ethnic origin or handicap to all the rights, privileges, programs and activities generally accorded or made available to students at the school. Pursuant to applicable law, it does not discriminate on the basis of race, color, sex, national, ethnic origin, or handicap in the administration of any of its policies or programs.

Essay Questions for Admission

Please respond to the following questions as an essay and email your responses to grad@icr.edu. The answers are part of the application process and will help determine your eligibility. Your testimony should be included in one of the answers

1. Why do you want to study at and receive a degree from the Graduate School at the Institute for Creation Research?
2. How will you use your degree?
3. Where do you see yourself five years from now? Ten years from now?
4. Is your sole of primary purpose, in applying for this program, the desire to obtain a vocational credential for employment in the secular education market? If yes, explain.

NOTE: The essay portion of the application process will help determine (a) your writing and communication skills, (b) your ability to following instructions and (c) your ease in the use of the internet.
